CONNECT WITH ME

## AN INTRODUCTION

Yvonne Henderson Decker is the Founder & CEO of The Signature Image LLC.

Yvonne comes from a compassionate and empathetic point of view to provide innovative image consulting services that help clients understand the power of image in their personal and professional life.

She helps her clients improve their appearance, business behaviors, and their verbal and nonverbal communication skills. to maximize their potential. This branding process helps them transition into leadership to align themselves for a seat at the table where they can be heard, be taken seriously, and gain the respect they deserve in the workplace.

## THE MISSION & VISION

To empower those who feel overlooked and invisible, to maximize their potential and stand out from the competition in their personal and professional life.

Your image...your visual signature!
